Today's Note:

Ishaan- dad is still reluctant as his son doesn't show confidence, wants to do just one more class to decide. I did say that the more classes he does when enrolled his confidence will show, especially when hopefully we can split the classes up. Can you please just call dad, his son does well but dad is just not convinced with his confidence Abhiraj- Dad said yes to signing him up, unfortunately again for whatever reason the system won't let me. Can you please contact parents to help in signing Abhiraj up with us. And when possible could you please show me incase I've been doing it wrong this whole time?
