Today's Note:

Daronn- 2nd Trial: Mum said she wanted to go home and think a bit more before completing online. She sounded positive to do so but can't assume- could you please help me by following up with her on this. Ayan- parents said yes, tried to add him onto here for enrolment but there wasn't any option coming up to do so. Will try again, but the parents said yes to me that they would like for him to continue. Can I get support for this enrolment please? Zane- Make Up class from Caroline Springs attended. Have met Zane before but dad left before I could get a chance to grab details that Zane attended today. Need help with this please.
