# Scotch Hockey Program Term 3

The Kelly Sports Hockey program is a key introductory program designed for Reception and Year 1 children.

These sessions will be facilitated by coaches from Kelly Sports at the Mitcham Campus and we encourage both boys and girls to take part. The hockey program helps students develop basic hockey skills and is a great introduction to hockey.

This modified program provides lots of fun while skills are being developed. The sessions include individual skills and modified games with an emphasis on learning.
