## SPORTING SCHOOLS

Kelly Sports Adelaide is continuing to work with a number of schools across the Adelaide Metro area with the Sporting Schools program. As a recognised coaching provider with the Sporting Schools program our coaches have enjoyed facilitating softball and hockey programs in primary schools during Term 4.

## SPORTS DAY – ST BERNADETTE'S CATHOLIC SCHOOL

After a rescheduled start due to wild weather conditions the children at St Bernadette's Catholic school were blessed with fine weather for their Sports Day facilitated by our Kelly Sports team. The children had a fantastic time working together in teams and competing in healthy competition. Well done to all the children who tried their best and learned new skills whilst having plenty of fun.

## SCOTCH COLLEGE In 2 Cricket Program

Over 50 children from Scotch College Junior School enjoyed participating in the In2Cricket program in term 4 facilitated by Kelly Sports. The children all had an awesome time learning how to bat, bowl and field.

## MULTI-SPORT PROGRAMS

The coaching team at Kelly Sports Adelaide Metro have enjoyed another exciting term of sports with our Super Spring Sports programmes. The Kelly Sports multi-sport program for Reception – Year 2 children is facilitated in primary schools across the Adelaide Metro area. In Term 4 the Super Spring sports included cricket, athletics, tee-ball and hockey.

*"Hilda really enjoys Kelly Sports very much especially under the coach Jahan.. She shares a lot of her experiences with me when she comes home from the session."  
- Parent East Torrens Primary*

## SPORTS EXPOS

Kelly Sports were delighted to be involved in a number of Sports Expo's this term including Craighburn Primary and the Catholic Schools Sports Expo. The children had the opportunity to experience a wide variety of sports including soccer, tee-ball, cricket, basketball, taekwondo, wheelchair sports athletics plus many more.

## FUNDAMENTAL SKILLS CHILDCARE PROGRAMS

The kids have been having a ball in our Fundamental Skills programs at the Goodstart Early Learning Centres at Brighton, Clapham, Glenelg, Semaphore Park, Semaphore South, Elder Drive Mawson lakes & Avocet Drive Mawson Lakes.

## PULTENEY GRAMMAR CRICKET

"It was fantastic for me to see the very enthusiastic and confident way in which The Year 5 Pulteney Cricket team were able to continue to improve their skills in all areas of their cricket (Bowling, Batting and Fielding) over the term having done so well earlier in the year in Term 1.

From where they started the season, to where they are now, the players have improved dramatically and can only keep developing in the years to come.

It's been a method of mine to ensure all players have been fairly rotated during each game, enabling them to each open the batting/bowling, field in each position, wicket-keep and have a game as captain. This has given the players the opportunity to be multi-skilled and confident in each area of batting, fielding and bowling whilst always giving 100% effort.

This group has done something really special this season and I am glad I have endeavoured to make them the best young cricketers they can be.

I would like to thank each one of the players for their dedication, determination and commitment during the season and also their families who have brought them to each game and provided an extreme amount of support and encouragement.

I would also like to thank Bill Davis for his help, support and communication during the season and for coming to many games.

Thank you to all the Pulteney staff who assisted with the team coaching and provided valuable input at training's.

I have really enjoyed coaching the Year 5 cricket team this season with passion and enthusiasm."

### - BASKET BALL

"This term I have been teaching students the basics and fundamentals of basketball. These students vary in ages from foundation to year 7. Basketball this year has been an absolute blast for me. Seeing the students smiling, laughing and having fun while learning in a safe environment is the key to sport. But it isn't just enjoyable for the students. As coaches, we have loads of fun working with a lot of fantastic students and great teachers.

We have won together, lost together, and learnt lessons that are essential in early life. From the start of the basketball program I have seen so much improvement in the student's confidence, skills, teamwork and leadership. These qualities will help them in their future endeavours with the path they take. I know these students will continue to grow and learn as they go through school, and I wish them all the best in the new year."

### - CRICKET

"This term I was again fortunate enough to be involved with the cricket program at St Peter's Woodlands, coaching the A Grade Gold team. Having been involved with the cricket program throughout the last three years it was an opportunity to continue to work with some of the boys I had previously coached while also enabling me to get to know those who I hadn't. It was a thoroughly enjoyable experience throughout the term and the boys should be proud of their efforts, managing to remain undefeated. More impressive though, was the sportsmanship and teamwork that they demonstrated during every game. On multiple occasions the boys were glad to volunteer to fill in or substitute as a fielder for the opposition when they were short of players. Playing the game with such a high level of character made coaching the team this term both an enjoyable and satisfying experience.

My thanks must go to Narelle Harker, Tanya Blizzard and Vanessa McCully for their efforts as team managers of the two A Grade cricket teams during the year. A healthy school sport experience requires the participation of parents, and their assistance throughout the year has been greatly appreciated. Similarly, the work of Huw Bowen has been important in the success of the cricketing programs at the school this year and his contributions should not go unnoticed. In particular, his creation of the first SPW Inter-school A grade match was a resounding success and is evidence of the strong sporting culture that St Peter's Woodlands possesses. Having participated in yet another enjoyable coaching experience at the school I am excited for future opportunities to continue to be involved in such a healthy sporting environment."

### - VOLLEYBALL

"After a term of coaching volleyball at St Peter's Woodlands it has been fantastic to see just how much each and every team has developed, and I'm very proud of how far they've come. It was especially rewarding to watch the teams begin to coach themselves, and I'm excited to see how the players develop next year. Unfortunately, some teams had to miss a week of matches due to other extracurricular activities, which took us out of grand final contention. Despite this, the SPW Golden Spikers and SPW Boys still won their third place playoff matches."

## Congratulations to our Term Four Coach of the Term **GEMMA ROWE**

Gemma Rowe has been with Kelly Sports Adelaide Metro since the beginning of 2016 and during this time she has proven to be a vibrant, bubbly and reliable Kelly Sports coach. Gemma has a wonderful nature with the children and as a result we continually receive excellent testimonials from parents. Gemma is always happy to assist in helping out with any coaching absences and she always follows the Kelly Sports protocols. Gemma's coaching skills and knowledge enable her to coach across many of the Kelly Sports programs including schools, events, birthday parties as well as team coaching in netball and basketball

*"Gemma is an amazing instructor and has a warm and friendly manner with all of the children. I really hope she can be our coach again next term"*
