Amazing RACE

The Kelly Sports A-Mazing Race is loosely based around the TV show and provides a fun activity whilst exploring the sites of the Adelaide Botanical Gardens.

- Pass through various check-points and challenges along the way
- Individual OSHC groups or form an OSHC cluster
- 2.5 – 3 hours in duration
- Survival kit and bandanas included

During the School Holidays, Kelly Sports Adelaide were kept busy facilitating our A-Mazing Race for OSHC groups throughout the beautiful Adelaide Botanical Gardens. The children had the opportunity to form teams, with a team colour and creative team name with their OSHC team leader. Groups were given clues and questions that could be answered from displays and scenery around the gardens. The children also completed challenges along the way including a bean bag toss challenge, sack race, obstacle course and pass the hoops challenge. This event gave the kids the opportunity to get out and about during the school holidays, while maybe learning a thing or two about our beautiful city.

We are looking forward to running more A-Mazing Races during the next school holidays with some new OSHC groups!

TEAM SPORTS COACHING

This term saw Kelly Sports Adelaide coaching over 50 sporting teams across 8 colleges including Pulteney Grammar, Immanuel College, Christian Brothers College, St Michael's College, St Ignatius, St Joseph's Kingswood, St Peter's Woodlands Grammar and Scotch College. Specialised sports coaching was also provided to the junior primary students at Prince Alfred College. Sports coached this term were AFL, soccer, hockey, netball and basketball.

ST PETER'S WOODLANDS GRAMMAR

During term 2 and 3 I was very fortunate to coach the SPW year 7 Gold netball girls. The girls were such an amazing bunch to be able to coach and I felt as though I was a friend to them as well as their coach, which made every game and training so much fun. The team listened when I needed them to, took on any advice given to them and above all else respected me as their coach. As the season grew closer to an end the girls and myself had formed a good bond and I am so very proud of all the efforts from each and every one of them. The end of the term has seen the girls in a position playing off for 3rd on the ladder. I wish the girls the best of luck in their future endeavours with netball and any other sport they choose to pursue. Going to miss them!

– Lauren Dewhirst, Kelly Sports Coach

ST MICHAEL'S COLLEGE

Coaching the Middle A soccer girls at St Michael's in terms 2 and 3 was an exciting experience, the team was filled with plenty of different experience levels and a good spread of positions. Their initial skill and willingness to learn at training meant we got some good results throughout the entire season, spending most of our time sitting second place on the ladder. Due to some clashing events we lost our last 2 games as we were only able to play with 9 on the field, despite this the girls had worked hard enough during the season to still take out 3rd place. It was a real pleasure to watch each individual member of the team get better, along with the team as a whole come together through the season to really understand each other's strengths and areas of growth.

– Michaela Dunmall, Kelly Sports Coach

SCOTCH COLLEGE

The Scotch Gold Soccer Team was a pleasure to work with. The boys and girls all got along very well and it showed on the pitch. It wasn't an easy term and they came up against some very good teams but they constantly gave it their all at training. It was great to see how confident they had become. I was very fortunate to coach this team and enjoyed watching them become so successful.

– Raj Kanasan, Kelly Sports Coach

CHRISTIAN BROTHERS COLLEGE

The CBC year 10B soccer team were a great group of boys to work with. They all put in great effort and determination. They worked with respect for themselves, me and each other. Some weeks we struggled to fill a whole squad of players plus substitutions but each week the boys who were there showed great commitment to give a 100% effort. When we did have a full squad, there was great depth in the team and the boys managed to adapt well to different positions each week. Although the team didn't have great success on the scoreboard, there was an obvious improvement within the team from the beginning of the season to the end.

– Aidene Parr, Kelly Sports Coach

SPORTING SCHOOLS

In Weeks 1-4 of Term 3 Kelly Sports had the pleasure of running a Softball Program at St Brigid’s Catholic School in Gawler. Thanks to Sporting Schools funding, the whole school had the opportunity to learn and improve their softball skills. The students were all willing to learn and have fun with coaches Payne and Sam!

“We had Sam from Kelly Sports run softball sessions at St Brigid’s Gawler for the past 4 weeks. We just wanted to say how awesome she was! Sam was enthusiastic, positive and fun! She gave clear and easy to understand explanations of rules and how to play. The students, even on the coldest days were so excited during the sessions. Great work Sam! Kind Regards,
Janine Dare and 2/3B at St Brigid’s Catholic school.”

In Weeks 7-8 of Term 3 Kelly Sports ran another Softball Program at Alberton Primary School. The children really enjoyed the sessions provided by coaches Michaela and Payne!

Our accredited coaches can come to your school at a time that best suits the school, be it before, during or after school. Along with Softball, Kelly Sports Adelaide can also provide Volleyball and Badminton Sporting Schools Clinics.

KELLY SPORTS PASSPORT

Kelly Sports Adelaide introduced a new format for Kelly Sports kids to share their achievements with their parents with a Kelly Sports Passport. The passport was used to give children attainable goals through simple sports skills related to the sports being taught during Term 3. Children had the opportunity to earn stamps with each skill learnt, and were able to then take the passport home to share with family!

SEPTEMBER

From the 3rd-30th September, 16 Kelly Sports coaches took part in September, to raise funds and awareness for those living with Cerebral Palsy. Our coaches managed to raise \$1,236 and also completed 4,647,030 steps! What an amazing achievement!

RAJAH RESERVE SPORTS PROGRAM

The Rajah Reserve Sports program – with City of Marion Council - allows children aged between 5 to 16 years to experience energetic and highly active coaching sessions. Experienced coaches aim to develop and enhance the skills of your child while also improving strength, flexibility, spatial awareness, co-operative skills and teamwork.

The Term 2 program involved a volleyball clinic, and an AFL program was provided in Term 3.

Kelly Sports participants can claim a \$100 discount on their fees with the Sports Voucher initiative administered by the Government of South Australia. This includes Kelly Sports Multisport and Dance Programs.
