Term Three 2016

## KELLY SPORTS ADELAIDE METRO

### ROGER RASHEED FOUNDATION

We are continuing to develop our partnership with the Roger Rasheed Sports foundation by keeping the kids active at the Secombe Street Reserve with a range of different sporting activities. Families in the Playford community now have a vibrant new sports hub thanks to a collaboration between the Roger Rasheed Sports Foundation and the City of

roger rasheed sports foundation

Playford. This partnership aims to develop healthier communities by providing access to sports facilities and equipment as well as mentoring from elite athletes. Congratulations Roger Rasheed Foundation and the City of Playford in helping children live healthier lives by way of creating sporting pathways for families in their local communities.

## WINTER HIGHLIGHTS FROM AROUND SA!

### TREDDERS FOOTBALL CLINIC

Kelly Sports Adelaide were delighted to work alongside Channel 9 and Port Adelaide star Warren Tredrea in a football coaching clinic that brought the local community together and encouraged the development of grass roots footy in South Australia. Our Kelly Sports coaching team were super excited to be involved in the first ever Tredders' Footy Clinic giving children aged between 5-12 years old the chance to participate in an exciting and fun footy clinic with their favourite AFL talent from South Australia's AFL clubs.

Players included Richard Douglas, Riley Knight, Paul Seedsman, Andy Offen, Rory Laird, Brodie Smith and Tony Modra from the Adelaide Football Club along with Sam Colquhoun, Matthew Lobbe, Alipate Carlile, Brad Ebert, Kane Cornes, Jared Polec and Gavin Wanganeen from the Port Adelaide Football Club.

### BIRTHDAY PARTIES

We have been kept busy throughout Term 3 with our Kelly Sports birthday parties. Football and soccer were the much sought after themes during the winter months.

**A leap of faith for little Olympians**

### GOING FOR GOLD

We were going for gold with our Olympic themed events throughout the month of August including the Payneham Library, Modbury KidzClub and the Adelaide Showground Markets. Activities included shot put, discus, hurdles, foam javelin, long jump, relay races, basketball games, making medals and flag colouring. (Photo courtesy of East Torrens Messenger)

"Thanks Kelly Sports Adelaide for a fantastic Football party. Rocco did a great job with the kids, they all had a fun afternoon celebrating my sons 10th birthday party. Having Rocco keep the boys entertained made for a stress free party for me"

- Penny

# PROGRAMS

The Kelly Sports franchise in Adelaide continues to grow with 104 sessions and 1100 children a week participating in either a multi-sports program at a primary school, a fundamental skills program at a child-care centre or an extra curriculum team sport activity. In Term 3 our Wild Winter multi-sports program focused on football, soccer, netball and basketball.

## SPORTING SCHOOLS

Kelly Sports Adelaide is continuing to work with a number of schools across the Adelaide Metro area with the Sporting Schools program. During term 3 our coaches have enjoyed developing both the softball and hockey skills of the children at Pimpala Primary, Two Wells Primary, Seaciff Primary, St Mary Magdalene's Primary Owen Primary and Pinnacle College.

*"I just wanted to let you know that our recent Sporting School softball clinics lead by Rocco were very much appreciated. Rocco was very professional, positive, well organised, calm and very respectful. He is a great asset to your organisation."*

Kind regards,

Trish

Principal

St Mary Magdalene's School

Elizabeth Grove

## PRE-SCHOOL PROGRAMS

In our pre-school programs the kids have been having a blast with our Fundamental Skills program which teaches children the fundamentals of sport with an emphasis on team work and social skills. Our key aims are to develop and enhance the following skills – running, jumping, catching, throwing, passing, kicking and striking:

# TEAM SPORTS COACHING

Kelly Sports Adelaide are continuing to develop their partnerships with St Peter's Woodlands Grammar School, Christian Brothers College, Pulteney Grammar and Immanuel College by providing sports coaches for their extra-curricular sports teams including netball, soccer and football. Our fabulous team of coaches assist in developing the children's life skills in team play and sportsmanship whilst enjoying the rewards of physical activity.

## ST PETER'S WOODLANDS COACHING TEAM – FOOTBALL, SOCCER, NETBALL

## PULTENEY GRAMMAR - FOOTBALL

*"It's very pleasing for me to see the very confident way in which the Pulteney team deliver their brand of football with the skill improvement and experience they have gained throughout the season. From where they started the season, to where they are now, the players have improved in each are of their game dramatically and can only keep developing in the years to come."*

*"It's been a method of mine to ensure all players have been fairly rotated during each game, enabling them to play each position with passion and 100% effort. This has given the players the opportunity to be multi-skilled and confident in each area of Forward, Midfield and Defence."*

*"This group has done something really special this season and I am glad I have endeavoured to make them the best footballers they can be."*

*"I would like to thank each one of the players for their dedication, determination and commitment during the season and also their families who have brought them to each game and provided an extreme amount of support and encouragement."*

*"I would also like to thank Bill Davis for his help, support and communication during the season and for coming to many games."*

*"Thank you to all the Pulteney staff who assisted with the team coaching and provided valuable input at training's. I have really enjoyed coaching the Year 5 football team this season with passion and enthusiasm."*

Rocco Canino Kelly Sports Coach

# TEAM SPORTS COACHING

## CHRISTIAN BROTHERS COLLEGE - SOCCER

"I coached the CBC 8B boys and it was such a pleasurable experience. Having only met them once before our first game it was a big task to get the right formation and player positions. The boys were very helpful and understanding and most were willing to play in their non preferred position. Half our team were all strikers (we literally had no defenders!) But our first game showed promising results! We won the first 4 games comfortably. The rest of the season was more of a challenge as players were sick, injured and moving up and down divisions. The boys still continued to show great form and I could see that they were gelling as a team nicely. I thoroughly enjoyed coaching them and watching them progress as a team. Only losing a handful of games I'd say it was an exceptional season!"

Jaimee Clayton Kelly Sports Coach

"The CBC Year 7 B team was a very successful this year. There were huge improvements in regards to personal development and teamwork. All members of the team played exceptional soccer while I was coaching and showed they can work efficiently as a team. There were some excellent individual efforts, which seemed to rub off on the other players.

When I started coaching there were a few players on the team who were lacking confidence. I explained that the contribution of every player is important for any team to become successful. This team was a perfect example of this, as once all players started taking the game on, the team started experiencing success (First game victorious).

The help from CBC representatives also needs to be recognised. during my coaching at CBC. It was very reassuring to know that no matter what, I always had someone to go to for help or advice. The CBC community and parents have proven that great things can happen if everyone puts in and helps out.

Finally I'd just like to say that I enjoyed my coaching experience at CBC and would be honoured to work with any school sharing the same supportive environment."

Tyler Norton Kelly Sports Coach

## IMMANUEL PRIMARY SCHOOL - NETBALL

"I would like to begin by saying how much I have enjoyed coaching my year 4 team at Immanuel. These girls have never played netball as a whole group before, with a couple never playing netball before. The girls were placed in the top division for their age and were not regraded. The season was challenging for the girls mentally and physically. However, each week the girls came out with a positive attitude and so much enthusiasm. As the weeks rolled on the girls became stronger as a team. Their friendships grew stronger as well as their netball skills. I was so proud of my girls, for coming out each week win, lose or draw. Week by week I could see the girls improving, which just made them more determined. Every training they listened to what I had to teach them and tried their hardest to put this into play. By the end of the season the girls were a strong united team, that were ready for any challenge. I could not be any prouder of the girls improvement throughout the season and their teamwork and sportsmanship to each other and oppositions. I wish these girls all the best in their future, and hope they continue on with netball because they are all superstars in my eyes."

Gemma Rowe Kelly Sports Coach

# KELLY SPORTS ADELAIDE METRO WINS EVENT OF THE YEAR

We won!! For the second year in a row Kelly Sports Adelaide Metro has been awarded the Kelly Sports Australia Event of the Year. Congratulations to our awesome team and thank you to the Roger Rasheed Foundation and the City of Marion for the opportunity to partner with the Rajah Reserve Community Sports Day giving children in disadvantaged communities a better life pathway through access to sport.

## Congratulations to our Term Three Coach of the Term **ROCCO CANINO**

Rocco Canino has been with Kelly Sports Adelaide Metro since 2014 and during this time he has proven to be an outstanding and dedicated Kelly Sports coach. Rocco's coaching skills and knowledge enable him to coach across all of the Kelly Sports programs including child-care centres, schools, events, holiday programs, birthday parties, sporting schools as well as team coaching in soccer, cricket and football. Rocco has never missed a coaching session during his time with Kelly Sports due to illness or unavailability and he is always willing to assist when other coaches are unavailable. An example of this would be the time when Rocco took an early 7.00am Saturday morning phone call when we needed a fill in coach due to a last minute early morning message from another coach who couldn't get to their game. Rocco saved the day and made it to the game by 8.00am.

Both the kids and parents absolutely love Rocco and we regularly receive numerous testimonials and requests for Rocco each term. Rocco has been an active contributor towards the growth of the Kelly Sports Adelaide franchise by way of introducing a number of new schools and child-care centres. As a result of Rocco's outstanding values, qualities and work ethic he was recently appointed to Operations Manager Kelly Sports Adelaide Metro of which he has successfully overcome many of the day to day challenges of managing our coaching roster. We think Rocco is an outstanding role model for other Kelly Sports coaches and thoroughly deserves the recognition of being awarded the Kelly Sports Adelaide Metro Coach of the Term.

## Congratulations are also in order for our following Kelly Sports Coaches

### Jarrod Lienert

Jarrod Lienert became the first player from the Sturt Football Club to win the Powerade Star Search Award. Introduced in 2007 the Powerade Star Search Award recognises the SANFL most outstanding emerging talent.

### Ryan Burton

We are also very proud of our previous Kelly Sports coach Ryan Burton making his debut for Hawthorn in round 21 on Saturday 31st August. The game was Hawthorn v North Melbourne and he kicked a goal on debut!
