

READY FOR YOUR NEXT EVENT!

Whether it's a corporate, community, festival or social event, Kelly Sports can create an interactive sports-based and/or picnic games experience for the whole family to enjoy!

- As the national provider of children's sporting programs and special events, Kelly Sports can provide fully supervised and fun sporting activities for kids.

Kelly Sports enjoy the success of hosting supervised children's activities for 2-15 years of age children for local councils, corporate organisations, sporting clubs and race meetings. This includes a variety of sports activities and picnic games catering for each age group such as Challenger zones, team zones and fun zones plus zumba, face painting, games and more. The aim is to provide a safe environment where children can have fun and benefit from activities in a number of ways on the day.

EACH BOOKING OFFERS:

- Fully inclusive events package as required
- An emphasis on maximum participation and enjoyment
- Comprehensively trained staff
- Coordination/management of all activities on the day
- Supplemented promotion and marketing
- Flexibility to tailor bookings to your events requirements

All events are individually quoted to take into account location, access, ratios, time & client requirements.

"I am I wanted to personally pass on my thanks to you and your great team. From what I saw you guys offered a huge amount of games and activities for the kids allowing our parents and even myself as the organiser to feel at ease as I knew the kids were in good hands!"

Your team were all professional and amazing with the kids who attended so thank you again. Would definitely use your team again and also recommend for future." - Mel Taylor, EWM
