FUNDAMENTAL SPORTS SKILLS

We provide a range of dynamic activities over a 10 week period. The program includes 30 minute sessions of Basketball, "World Cup" Soccer and Cricket and other ball games plus catching, running, jumping and throwing activities.

This program will not only provide an essential base for your child's motor skills but help build awareness and coordination, all in an enjoyable environment.

Boys & Girls of all abilities welcome.

Our program is a fantastic way for your child to learn and develop key sporting skills essential for all sports. It will inspire children to give various sports a go as they develop their catching, throwing, kicking, striking, running and jumping skills. Our modified sports games provide lots of fun while skills are being developed.
