## ST SCHOLASTICA'S ps

We provide a range of dynamic activities during our **10 week program including 3 weeks of Basketball and Soccer plus AFL Footy and Netball.** This program will not only provide an essential base for your child's motor skills but help build awareness and co-ordination, all in an enjoyable environment. Boys & Girls of all abilities welcome.

Our program is a fantastic way for your child to develop key sporting skills essential for all sports. It will inspire children to give sport a go as they develop their catching, throwing, kicking, striking, running and jumping skills. Our modified sports games provide lots of fun while skills are being developed.
