GYMEA BAY HOLIDAY PROGRAM

Welcome to Kelly Sports Sydney!

Our Autumn Holiday Program was a three day hit in Gymea Bay over the April school holidays, with lots of energetic kids, getting involved with our coaches in sports, games and fun activities! Each day started with the kids ready to interact and play with old and new friends. We warmed everyone up with fun tag games, strategy games, tug of war, basketball, cricket, AFL, Oz tag, soccer, tennis, golf and everyone's favourite... DODGEBALL! The kids were all fantastic, with huge effort and participation from everyone, and they had a great time!

Each day we had special activities...

DAY ONE

On the first day here at Gymea Bay the kids were ready to get into action straight away, jumping into sumo suits and chasing their opponent they challenged each other and battled it out, mono e mono. The whole day was hilarious and a whole lot of fun! The kids did their utmost best to just stand in the giant sumo suits, to then battle it out, laughing the whole time and striving to be the champion sumo.

DAY TWO

We were lucky enough to have Paul Wade, legend and former Socceroo skipper, come in and take the kids through their paces, practicing their soccer skills and team work, before representing their countries in a Kelly Sports World Cup soccer tournament. The respect that the kids showed our guest was amazing, listening and taking in all his experience and sporting knowledge, then using it out on the field!

DAY THREE

Today we finished off the holiday program in style, holding our Penultimate Day: The Hunger Games. The kids trained with their weapons, got fit and learnt archery (see video attached for details). After their training, the children fought it out on the battle ground, working on strategies and using their skill and athleticism to kill the opposition (no children were hurt in the making of this newsletter).

It was an awesome start to the new beginnings of the Kelly Sports Holiday Program here in Gymea Bay. The kids and coaches had a great time, and we've decided to extend the program for the Winter holidays! We hope to see all the happy faces again soon!
