

WESLEY COLLEGE

BASKETBALL

The Kelly Sports basketball program is an ideal way for your little sports star to get involved in some fun activities after school. Students will learn all of the basics of basketball and the skills associated with this, including catching, passing, dribbling and game awareness. Our sessions are games based and targeted at junior students. We take kids of all abilities. The students will not stand in line waiting for a turn in our programs. We aim to engage the students and let them work at their own pace. We hope to see you soon!
