Term One & Two, 2016

KELLY SPORTS ADELAIDE

HIGHLIGHTS

Kelly Sports

This term our multisport program included AFL, Soccer, Netball, Basketball, Lacrosse, Cricket, Athletics and Hockey. The Amazing Autumn sports program was a hit in our schools, with kids enjoying the change of season as they got to try new sports, played new games, and developing their skills in different challenges and skill building exercises.

Kelly Sports Adelaide are continuing to develop their partnerships with St Peter's Woodlands Grammar School, Christian Brothers College, Pulteney Grammar and Immanuel College by providing sports coaches for their extra-curricular sports teams which includes volleyball, cricket, basketball, netball, soccer and football. Our fabulous team of coaches assist in developing the children's life skills in team play and sportsmanship whilst enjoying the rewards of physical activity. Our coaches even had the added bonus of working under the guidance of two sporting legends in South Australia Marg Angove and John Kosmina which was an awesome experience.

Corporate Events

Our corporate events continue to be popular in the community, with loads of events and fun filled days Kelly Sports were involved in!

There has been plenty of Race Day activities at Kelly Sports Adelaide providing plenty of entertainment for the kids at the world's biggest picnic race meeting - Oakbank Easter Racing Carnival. Other Race Day events included Morphettville Boxing Day, Naracoorte Race Day, Hills Gourmet Gallop and The Adelaide Cup

Kelly Sports Adelaide were thrilled to be involved at the Thomas Foods Stage three of the Santos Cycling Tour Down Under hosted by Campbelltown City Council. The kids enjoyed plenty of activities with our egg and spoon race, three legged race, tug of war, water bucket relay, totem tennis, water balloon challenge, arts and craft and the bike decorating station for our special bike course.

Kelly Sports was delighted to support a community sports day at Rajah Street Reserve hosted by the City of Marion Council and the Roger Rasheed Sports Foundation. Families in Oaklands Park came to celebrate their community and Kelly Sports provided the children with an opportunity to try their skills at cricket, football, athletics, basketball, lacrosse, hockey and tug of war! The Rajah

Street reserve was given a \$300,000 makeover last April following a partnership between the City of Marion and the Roger Rasheed Sports Foundation. In 2016, children have participated in some Kelly Sports sports coaching clinics and school holiday activities at the park since it was upgraded with two multi-purpose sports courts, a 40m running track, grassed area, soccer goals and playground. The Roger Rasheed Sports Foundation works with some of the most disadvantaged communities to provide children with a better life pathway through access to sport. There are children in disadvantaged communities that never have the chance to enjoy sport to receive a new cricket bat, basketball, a new team uniform or simply ride a bike. The Roger Rasheed Foundation gives these children access to a better life by giving them access to sport.

Kelly Sports Adelaide was delighted to be involved at the opening of the Gawler Markets and the Boots for Change Family Day at the Adelaide Showground Markets. The kids were entertained with sack races, apple bobbing, boot throwing and tug of war. Callum Hann (2010 runner-up Masterchef) and Themis Chryssidis were at the Gawler Markets with some healthy fun recipes with their cooking demonstration but couldn't resist joining in the games with a friendly tug of war.

COACH
OF THE
TEAM

Congratulations to our Term Two Coach of the Term MICHAEL ADAMS

Location: Adelaide Metro, South Australia

Specialties: Cricket, Soccer, Volleyball, Multi-Sport and Events

Michael Adams has been an integral part of the Kelly Sports Adelaide Metro coaching for 4 years and has assisted at many of our corporate events, race days, multi-sport programs and A-grade team coaching. Particularly an enthusiastic cricket coach, Michael is praised by the kids and schools he works with for his ability, approach and passion!

Pre-Schools:

Fundamental Motor Skill Program

Holiday Programs:

Enjoy your holidays this winter! Programs are designed to help kids develop basic skills such as kicking, throwing and catching, all in a fun and exciting environment! Check out our website for locations!

Customer Feedback

"Mark who coached Maxs soccer team this season was the best Kelly Sports coach we've ever had. He engaged beautifully with the kids, inspired them, encouraged them and was an absolute gentleman when opposition teams got a bit out of control. He was also on time every week and completely organized."

(Parent St Peter's Woodlands)

"We just wanted to let you and the school know what a positive football season it has been for Jonathan and Josiah and their teams. Both their coaches (Blake and Nick) were excellent, related well with the boys and provided a healthy outlook on good sportsmanship - which is so important at all levels but particularly in Primary school sport. You can be proud of the 6/7's in particular on the weekend with a couple of heated games - they conducted themselves well and played some great footy to win! Just thought we'd let you know these positives. Have a good week!"

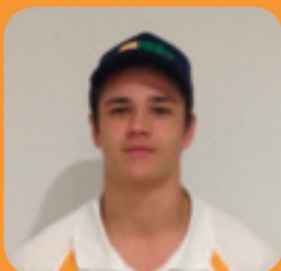

(Parent St Peter's Woodlands)

"It has been a really enjoyable soccer season with Rocco as our coach. He is always so enthusiastic, positive and engaging with the kids. Rocco always provides clear directive coaching which the boys listened and responded well too."

(Parent Christian Brothers College)

CONGRATULATIONS are in order for some of our Kelly Sports coaching team. Congratulations on your personal achievements and thanks for your fantastic contribution with Kelly Sports.

Ryan Burton selected as Draft pick Number 19 for the Hawthorn Football Club.
